12. Accreditation

Please note that all athletes wishing to compete must hold a valid World Capoeira Federation Passport at time of registration and must bring it with them to the competition location on the date.

All athletes, coaches, officials and delegates will be required to pass the accreditation process. Badges with entry permission to the competition area will be distributed at that time. Any persons not in possession of a entry badge will not be allowed to enter the competition area before, during and after competition scheduled hours.

All persons passing through the accreditation must show a valid photo identification.

13. Rules of the Competition

The 1st Estonian Open of Sport Capoeira will run according to the rules and regulations of the World Capoeira Federation.

The current version of the rules book dated 23rd March 2018 is available in English and Portuguese on the WCF website here: <https://www.capoeira.ws/documents/>

14. Fundamental Principles

All athletes, officials, coaches, delegates and assistants participating in the 1st Estonian Open of Sport Capoeira must respect and accept the authority of the rules and conduct of competition as set by the World Capoeira Federation as well as the onsite rules and regulations imposed by the Estonian Capoeira Federation through the entirety of the event.

Individuals deemed to act or behave against the principals, rules or regulations may be subject to disciplinary action by either the WCF or CAHKC or both.

15. Insurance & Liability

No insurance cover will be provided for athletes, coaches, officials, delegates or assistants during the event. It is advised that participants seek and arrange their own insurance as required.

The World Capoeira Federation and The Estonian Capoeira Federation take no responsibility for injury or loss arising by participation in the competition.

16. Medical Services

Qualified first aid nurses will be on site during the competition to administer first aid as required to competition. If further medical attention is required the first aiders will call emergency services to have the afflicted competitor to the nearest hospital for treatment.

In case of being removed to the hospital the competitor must be accompanied by a delegate, coach or team member and must have a valid photo identification and health insurance policy with them.

17. Nutrition

All athletes, coaches, delegates and visitors are responsible for their own meals and dietary requirements. If you do have special requirements please let us know by email in advanced so we can recommend the locations closest to the competition area that can accommodate to your specific needs.

18. Accomodation

At this time Estonian Capoeira Federation does not have specific affiliation for accommodation for visiting athletes, coaches and delegates. The following is for your reference.

Estonian Capoeira Federation provides free accommodation for group leaders if at least 10 people participate from the country.

22. World Capoeira Federation

The World Capoeira Federation (WCF) is an international non-profit organization with the objective is promoting Capoeira as a world sport. The WCF recognizes Capoeira as a cultural heritage of Brazil and respects its historical roots and philosophies.

Today the WCF is the only international Capoeira institute on Sport Capoeira which standardizes sport norms for Capoeira, organizes worldwide Capoeira competitions, Capoeira coaching qualifications and international Capoeira referee courses. The WCF covers the whole world of Capoeira.

Some of the major goals of the WCF are:

- Bring Sport Capoeira to be a part of the Olympic Games.
- Develop friendly relations and coordination with all national capoeira federations and groups.
- Cooperate with the sport organizations, including International Olympic Committee as well as other organizations for the development of Capoeira.
- To train highly qualified sportsmen, trainers, referees, Capoeira Masters and other specialists
- To defend the interests and rights of the sportsmen, trainers, capoeira masters and other specialists.

The next international Category I event from the WCF will be held in Russia on the in 2020.
